CONFERENCE CHECKLIST

Listed below are the areas which you need to consider when organising a conference.

Planning

- Introduction of the people involved in the conference and the roles they are to play
- Clarify the aims and objectives of the conference
- Establish how the project has already progressed
- Draw up an activity schedule to include all tasks to be undertaken by whom, and provide timescales
- Produce events schedule which outlines the programme and all arrangements to be booked
- Development of the conference theme and programme
- Arrange regular meetings with the planning team and produce progress reports

Accounts

- Preparation of conference budget.
- Set appropriate delegate fees, sponsorship / exhibitor rates.
- Negotiation of fees and costs with suppliers.
- Collection of registration fees, issue invoices / receipts, chase non-payers.
- Payment of suppliers.
- Preparation of final set of accounts.

Conference Programme

- Set objectives so your speakers know what you are aiming to achieve and delegate expectations are met
- Prepare content and timings for conference programme
- Ensure you book a venue which can provide all the necessary meeting rooms and equipment to accommodate the conference programme
- Draw up workshop / session schedule
- Create time to visit the exhibition if included as part of programme

Venue and Accommodation

- Research suitable venues for the conference and accommodation for delegates if required
- Confirmation and booking of venue
- Confirmation of accommodation or provisional hold of hotel allocations
- Liaison with venue for room set ups and layout; catering numbers, menus and timings; equipment required and signage
- Liaison with accommodation providers on latest booking situation taking note of any release dates.
- Supply venue with events schedule
- Supply venue with audio visual production schedule
- Supply venue with rooming lists

Sessions / Workshops

- Decide on topics and invite presenters. Provide objectives of session.
- Decide if delegates need to register in advance to attend sessions
- Invitation of presenters
- Confirm presenters request summary of workshop and AV requirements
- Book audio-visual requirements
- Check all speakers have presenters have registered
- Arrange any travel, catering and accommodation
- Appoint facilitators to chair sessions
- Produce session descriptions for delegate packs
- Produce tickets for workshops and sign up sheets

Audio Visual, Production and Staging

- Decide on what equipment is required for the production and staging of the conference book and arrange as necessary. This includes the following:
Set, screen, staging, lectern
Projection equipment
Audio
Lighting
Any other visual aids
- Once AV requirements have been identified draw up an AV production schedule

Delegate Registration

- Set up online registration, produce booking form
- Set up dedicated phone lines and e-mail addresses
- Send out registration details and handle delegate enquires
- Acknowledge receipt of booking forms
- Register delegate details onto database, collection of registration fees, issuing invoices / VAT receipts.
- Send out confirmation of booking together with joining instructions, location maps and directions to the conference venue and hotels, parking details and any other relevant information
- Production of name badges
- Production of delegate attendee lists
- Update database with no shows and substitute delegate details in order to produce final attendees' report.
- Reconciliation of payments received

Invitation of Delegates (For meetings where specific attendees are invited)

- Diary date call or email and confirmation of attendees name
- Send out invitation and related documentation, for example fax back forms
- Follow up calls to chase up non-respondes
- Acknowledgement of receipt of additional attendees
- Call to confirm final number of attendees 1 week prior to event
- Reports produced of attendees and non-attendees through out invitation process
